Richard:

Correct, ER did not redact the DUNS. A decision was made that it is available publicly and not to redact as per ER's Vice President of Administration.

At this time I cannot provide you a specific time for everything but it will be yet today.

Hi Marilyn,

We noticed that this time around, you didn't redact your DUNS as CBI. Please verify that was intent by responding to this email. Also, can you give us a specific time today, that all the documents will be done?

If you do choose to redact the DUNS, please note that it appears on modification documents in two places: box 14 and box 8 as "Code".
